Say to the children...	Jesus told lots of stories to let us know how much God loves us. The boy went away from his father. But his father kept looking for him and welcomed him back. His father always loved the boy. In the same way, God comes looking for us. He always loves us – even when we do things wrong. He is our good father!
Prayer	Dear God, we thank you that you love u very much. Thank you that you come looking for us and care for us. Thank you that even when we do things wrong, you still love us and care for us. Amen.
