Theme	Daniel – God is great!
Story & Story Sack Props	Read 'David the shepherd boy' & 'David's Song' from The Big Bible Storybook if you have it or the story of God choosing David when he was young.
Say to the children...	David was a very famous person in the bible. He was young when God chose him to be King and a very famous leader in the bible. When David was little, he looked after sheep and wrote songs. We still sing some of those songs today. God loves us when we are young and old. We can sing songs to God and praise him even if we are little!
Prayer	Dear God, we thank you that you helped David write songs even when he was young. Thank you that we don't have to be old to praise you. Thank you that you love us when we are little and when we are big! Amen
