| Say to the children         | David was a very famous person in the bible. He was young when God chose him to be King and a very famous leader in the bible. When David was little, he was brave and helped beat the giant Goliath. He didn't need armour and weapons – God helped him. With just one stone, David killed Goliath. God helped David. |
| Prayer                      | Dear God, we thank you that you helped David win the battle with Goliath. Thank you that we can do anything when you are helping us! Amen                                                                                                                                                                              |
