God's World | Genesis

BIBLE TIME

Today we are looking at the very first book in the Bible – Genesis!

The book of Genesis opens with one of the most famous sentences in the Bible! "In the beginning, God created the heavens and the earth." It's the book where we find the famous stories of Adam and Eve, Noah's Ark, Abraham and Isaac and a very well-dressed dreamer called Joseph. It's the first place in the Bible we get to know a bit about what God is like.

Today we're specifically looking at the start of Genesis and remembering how God made everything. God created all that we know and love. The stars, the animals, and me and you.

It's that God made you because he loves you! And he wants to be friends with you.

ACTIONS

- Try and read through the start of Genesis this week a little bit each day!
- If there are bits you want to thank God for or ask him about, writing them down can sometimes help us.
- Why don't you try and draw a picture of the whole world and it can remind you that God created everything! How cool!
