## Moses | Exodus

### BIBLE TIME

This week we're looking at the book of Exodus! This book is filled with adventure from start to finish.

The Israelites (God's people) were in Egypt during this time and they were all slaves to the Egyptians. The Egyptians made them work very hard!

Moses was born an Israelite but ended up growing up inside Pharaoh's own home! He had all the privileges of an Egyptian but instead, he felt compassion for his own people, the Israelites and wanted to help them.

Moses went on a very exciting, but sometimes hard, adventure with God as God delivered the Israelites out of slavery and into the promised land.

### CHAT TIME

Can you think of a time when you were in a position to help somebody else just like Moses used his position to help the Israelites?

How would you feel if God asked you to do something that seemed a bit scary?

### PRAYER

Jesus we thank you so much that you brought the Israelites out of slavery. We thank you that you can do what seems impossible for us. We thank you that you also lead us to good things and good places and being friends with you is a really big adventure.

### KEY VERSE

Exodus 15:13: "In your unfailing love you will lead the people you have redeemed. In your strength you will guide them to your holy dwelling."

### ONE THING

Being friends with God is the greatest adventure ever!

### ACTIONS

It's really sad but all around the world today there are people who are still in slavery – sometimes it looks a little different to Moses' time, but lots of people aren't free like we are.

Is there anything you could do to help? Maybe praying for them? Raising money and giving it to a charity?
