Get out our magnifying glasses.

All month, we have been looking for clues that tell us how special and important Jesus is! Our final clue is the fact that he came back to life! Isn't that amazing?! Jesus really is very special.

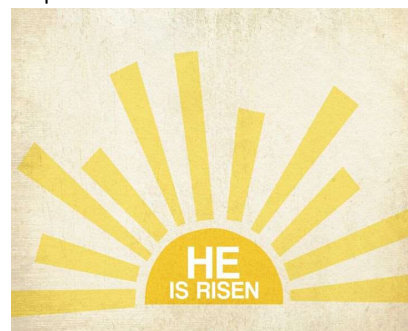

Thank you God that you sent us your son Jesus. Thank you that we see in the bible that he is so important. Jesus came back to life! He really is amazing and God's son! Thank you that Jesus was so special.

Why don't you spend some time thinking about what it means that Jesus is alive! That he is with us. Maybe ask God to show you how he is with you always.

Try it yourself!

Worship and Pray

Our website (www.soulsuvivorwatford.co.uk) has Youtube links to some of the worship songs we use in Soul Kids. Alternatively, use a worship CD or a streaming service to choose one or two songs to learn really well. Do this a few songs at a time.

Pray: Write the name of someone you would like to pray for on a lolly stick or strip of paper. Pray for them and then pop the stick/paper in a pot or container. Over the next few days, repeat this until you have a pot with a few different names. You can now pick a different stick and pray for someone different each time you gather to pray.
