Theme: Jesus - Walks on Water and Calms the Storm

This month we are being detectives! We are looking for clues in the bible that show us how important Jesus is. What clues can we find that tell us that Jesus is God's son? This month we are being detectives! Who remembers the magnifying glasses we made to help us hunt for clues? We are looking for clues in the bible that show us how important Jesus is. What clues can we find that tell us that Jesus is God's son?

Bible Story to read or watch:

Youtube: Watch the story of Jesus Walking on the Water by Crossroads Kids.

Chat about it!

Isn't it amazing that Jesus can walk on water?! Not only can he walk on water but he can also calm storms. We saw in the story that the disciples were all really scared of the storm (I would be too!) but when Jesus comes, everything changes. We don't have to be scared when we remember that Jesus is with us, just like he was with the disciples and calmed the storm that was rocking their boat.

Why don't you spend some time chatting with your parents or family about how you would have felt if you were in the boat in the storm? Do you like boats? I wonder how big the waves would have been!

And how would you have felt realising it was Jesus coming to your boat to help?

Let's pray!

Jesus we thank you so much that you are able to calm storms! Even big scary ones. You really are amazing and we can trust you.

Try it yourself!

Craft: Creating a boat

- See if you can make a boat with different shapes of paper. Ask a parent or guardian to help with cutting out!

Worship and Pray

Our website (www.soulsurvivorwatford.co.uk) has Youtube links to some of the worship songs we use in Soul Kids. Alternatively, use a worship CD or a streaming service to choose one or two songs to learn really well. Do this a few songs at a time.

Pray: Write the name of someone you would like to pray for on a lolly stick or strip of paper. Pray for them and then pop the stick/paper in a pot or container. Over the next few days, repeat this until you have a pot with a few different names. You can now pick a different stick and pray for someone different each time you gather to pray.
