This Month's Theme: The Life of Jesus - Transfiguration

This month we are looking for clues throughout the bible that show us how important Jesus is. He was like no other human being. He was fully God but fully human. Let's see how many clues we can find....

What happened to Jesus at the transfiguration was really important in helping us understand the importance of Jesus. Before now, people had seen him as special but human. When Jesus was transfigured, the disciples truly understood that Jesus was also God. Remind the children of the memory verse: "Jesus said I am the way, the truth and the life".

What clues have we seen this month that Jesus was special?

How would you have felt if you had been at the transfiguration? What would you have said?

Why is it important that we understand that Jesus was fully human but also fully God?

Worship and Pray

Our website (www.soulsurvivorwatford.co.uk) has Youtube links to some of the worship songs we use in Soul Kids. Alternatively, use a worship CD or a streaming service to choose one or two songs to learn really well. Do this a few songs at a time.

Pray: Write the name of someone you would like to pray for on a lolly stick or strip of paper. Pray for them and then pop the stick/paper in a pot or container. Over the next few days, repeat this until you have a pot with a few different names. You can now pick a different stick and pray for someone different each time you gather to pray.
