Theme: Miracles

Last month we were looking at themes in the Bible that showed us how special Jesus is! This month we're looking at miracles... there are lots of them and they are pretty cool! Jesus did them to show how much he loved them. We are going to learn about how so many people believed he could do these amazing acts and why we can believe that God can heal us today.

Chat about it!

Today we're looking at a group of friends who also believed and knew that Jesus could heal, so much so that they made sure their sick friend got to be near Jesus.

There was a group of friends and one of the friends wasn't able to walk. His friends were amazing and knew that Jesus could heal him! So one day as Jesus was teaching in a house, the friends got on top of the house and lowered their friend on a stretcher through the roof! They were desperate to see Jesus' love and power and they wanted Jesus to heal their friend so much. We can have faith that God can heal us and our friends today too.

And guess what else is amazing? Through the Holy Spirit, we can also pray like Jesus prayed and see God heal people through us.

Questions!

Have you ever seen God heal someone? Would you like to see that? Is there someone you can pray for that is sick right now?

Sometimes it's hard when we don't see people get healed that we've asked Jesus to heal. We don't always understand why that happens but we know Jesus loves them and us the same.

Worship and Pray

Our website (www.soulsurvivorwatford.co.uk) has Youtube links to some of the worship songs we use in Soul Kids. Alternatively, use a worship CD or a streaming service to choose one or two songs to learn really well. Do this a few songs at a time.

Pray: Write the name of someone you would like to pray for on a lolly stick or strip of paper. Pray for them and then pop the stick/paper in a pot or container. Over the next few days, repeat this until you have a pot with a few different names. You can now pick a different stick and pray for someone different each time you gather to pray.
